

The SPIRIT
Told me

If you can't Reach her
with the true intent
of your heart
If she demands a lie
I would never accept
the truth from SPIRIT
Consider your life
How will it Reach
you

I would not change anything
or tear down any buildings
but rather Rebuild my
intention from the inside
until the SPIRIT changes
everything •

The genesis garden story
where "I could not reach you"
Therefore you chose to live
alone

My Journey after "reading you"
Back to the garden "3 day work"

I need people to have
a completely different view
about life & a person
for money in order that
my 3 days work

They that Judge according to
the letter

To ever get to know me for
some will be forbidden
that knowing their judgement to
be their own.

So this whole story was
about my experience with
the Spirit & what I
had believed to know
through my experience with Spirit.

Some of you were here to know
Some of you were here to love ^{me}
Some of you were here for me to love ^{you}
Some of you were here to break
my heart.

Some of you were here to
hold me
Some of "YOU" were here
that I might share this
story.

It "IS" Perfect

Some of the very ~~most~~ ^{greatest}
of you/you had the
